

**American
Heart
Association®**

The Addison Fire Department is a certified Training Center for American Heart Association. The department offers courses in the following disciplines:

Heartsaver AED (Includes CPR for Adult/Child/Infant & Book*) – \$35

BLS for HealthCare Provider Skills Check-Off Only - \$40

Heartsaver AED courses are held on the first and third Saturday of each month beginning at 9:00 am at Fire Station No. 1, 4798 Airport Parkway, Addison, TX 75001.

Skills check-off for BLS HealthCare Provider is scheduled as needed.

Students who successfully complete the required objectives and skills evaluations will receive a certification card good for two years.

Registration is required; Contact **Monica Hernandez at (972) 450-7201.**

*Per American Heart Association, the student is required to have his or her book prior to the course in order to review the content.
